

CAUSE NO. 352-248169-10

BAT WORLD SANCTUARY and	§	IN THE DISTRICT COURT
AMANDA LOLLAR	§	
Plaintiffs,	§	
	§	
v.	§	OF TARRANT COUNTY, TEXAS
	§	
MARY CUMMINS,	§	
Defendant	§	352 ND JUDICIAL DISTRICT

JUDGMENT

ON the 11th day of June this cause came on to be heard. Amanda Lollar, Plaintiff whose last three digits of her Texas driver's license number are 000, appeared in person and by her attorney and announced ready for trial. Bat World Sanctuary, Plaintiff, appeared by and through its attorney and announced ready for trial. Mary Cummins, Defendant whose last three digits of her California driver's license number are 781 appeared *pro se* and announced ready for trial. No jury having been demanded, all questions of fact were submitted to the Court.

After hearing the evidence and arguments of counsel and the defendant the Court finds that the plaintiffs, Amanda Lollar and Bat World Sanctuary, are entitled to recover from the defendant, Mary Cummins.

IT IS THEREFORE ORDERED that Amanda Lollar recover from Mary Cummins actual damages in the amount of THREE MILLION DOLLARS (\$3,000,000.00).

IT IS FURTHER ORDERED that Amanda Lollar recover from Mary Cummins exemplary damages in the amount of THREE MILLION DOLLARS (\$3,000,000.00).

IT IS FURTHER ORDERED that Bat World Sanctuary recover from Mary Cummins actual damages in the amount of TEN THOUSAND DOLLARS (\$10,000.00).

IT IS FURTHER ORDERED that Bat World Sanctuary recover from Mary Cummins attorney's fees in the amount of ONE HUNDRED SEVENTY SIX THOUSAND SEVEN HUNDRED DOLLARS (\$176,700.00).

IT IS ORDERED that Mary Cummins be permanently enjoined and she is ORDERED to immediately and permanently remove from the internet the following statements which currently appear at <http://www.animaladvocates.us/batWorldLawsuit/>:

1. They breed animals in the facility.

2. Pretty ironic for this group to certify Bat World Sanctuary when the health department told her to leave town and they had to gut the building and remove her belongings.
3. Vet recommended blood and stool tests. Lollar declined. She just wants empirical therapy. If that doesn't work, she wants to euth the dog. She refused treatment. When I was at Bat World June 19, 2010 to June 28, 2010 I saw her use her fingers to pull out one of the dog's teeth, i.e. oral surgery on dogs.
4. The current method she suggests is also inhumane. The bats die of suffocation. She also forgets to mention that the drugs she suggests must be used under the direction of a veterinarian. She doesn't even administer the gas legally, humanely, or safely.
5. He should not be working for free for someone who commits animal cruelty.
6. I doubt he'll be speaking about this embarrassing little case where he is actually representing someone who commits animal cruelty and neglect.
7. She took the money that came from the dissolution of Bonnie Bradshaw's group and bought a new silver Honda Eclipse. That money was supposed to go for animals. This is what Lollar does with money that is given to Bat World.
8. Lollar never even washed her hands before surgery, you can see dirty finger nails in the photos, no surgical garments, no mask, hat, nothing. Night and day.
9. Just confirmed that Amanda Lollar of Bat World Sanctuary is illegally obtaining human and animal rabies vaccinations. ...Again, breaking the law. I'm amazed she admitted to having the vaccine and buying it when she is doing it illegally.
10. She does not state that it died from neglect of care. She also chose to euth it instead of treating it as her vet suggested. She'd previously turned down care which her vet suggested.
11. When I was at Bat World she told me the place where she buys her rabies vaccine thinks she's a doctor.
12. Earlier in the year the vet noted the dog had major dental issues yet she didn't have the vet treat them. You know how painful it would be to have a mouth full of rotten teeth? That's animal neglect.
13. BREAKING NEWS!!! Amanda Lollar of Bat World Sanctuary admits in writing that she and Bat World Sanctuary are being forced to leave Mineral Wells because of all the complaints to the City and Health Department.
14. The dogs rear claws are super long. There is no way she could stand. ... She has to drag herself on cement.
15. She tells people to use Isoflurane illegally, inhumanely and unsafely in her book.

16. He didn't care that she admitted to illegally having the human rabies vaccination, admitted to using drugs not according to the label or that she "proudly" admitted to performing surgery.
17. In the video Lollar takes tweezers and just pulls out the molars of a conscious bat that is fighting and biting her while it bleeds. Lollar is proud of this and posted this video in her book and online. Bat experts know that bats must be unconscious and intubated to remove molars. Can you imagine the pain that bat felt?
18. Pulling molars out of conscious bats is not "cutting-edge" though cutting open conscious bats might fall into that "category." Operating on bats using the drop anesthesia technique or amputating wings instead of pinning them is also not cutting edge but cave man veterinary practice.
19. Lollar is exposing people to rabies by not checking their cards.
20. Her recent story about the episiotomy at the depo was that, that was not the bat's vagina and uterus being pulled out. It was the "placenta separating." It clearly was not.
21. She'd already yanked out the placenta which is what helped cause the prolapse, besides cutting way too much and pulling too hard. She really needs to get her vision checked. Someone with very bad vision is the last person who should be slicing into microbats.
22. Yeah, I look like crap in the videos but at least there are no videos of me hacking an animal to death.
23. She's been breeding her bats illegally. She's committing fraud asking for money for a project she cannot and will not do.
24. She said she would use the bag for the trip then return it to Walmart for a refund. She admitted to me with an evil laugh that she does this frequently.
25. Rabies complaint against Bat World Sanctuary. General sanitation laws, harboring high risk rabies animals, allowing them in downtown.
26. Amanda Lollar and her buildings have been written up so many times for building violations, safety issues, rabies, histoplasmosis, no address, unsightly building, build up of guano 6-8 feet... People have been reporting her smelly building and rabid bats for over 15 years.
27. She's basically experimenting on bats. The bats are dying because she doesn't take them to the vet. That's okay because she can just go get more bats.
28. Amanda Lollar of Bat World Sanctuary found guilty of illegally breeding bats at her facility. It is a violation of her permit.

29. Amanda Lollar of Bat World Sanctuary is now sending threats of extortion from Mineral Wells, Texas. Because she's sending it over the computer it's a Federal crime.
30. She has violated the following regulations listed on her permit. "15 a. Permit holder is prohibited from a. Propagating, selling or bartering animals or animal remains received or held under authority of this permit." She is allowing the bats to breed.
31. The complaints going back 18 years were about alleged animal cruelty, animal neglect, violations of the health code and building and safety regulations.
32. The complaints stretching back 18 years were about animal cruelty, animal neglect, violations of the health code, violations of Texas Parks & Wildlife regulations, violations of the Animal Welfare Act, building violations and a report about a rabid bat biting a toddler directly next door to Bat World Sanctuary.
33. Here is the disgusting photo of my face which they photoshopped semen onto. They then added the caption "Yep, screw you too, Mmmmary!" They named the file "mmmm." This is how disgusting and childish these people are.

IT IS FURTHER ORDERED that Mary Cummins be permanently enjoined and she is ordered to immediately and permanently remove from the following URL's in their entirety:

1. http://www.animaladvocates.us/batWorldLawsuit/Amanda_Lollar_Bat_World_Sanctuary_Breeding_Bats.pdf

1. Bat World Sanctuary admits in writing that they are being forced to leave the City because of all the complaints to the City and Health Dept.
2. Update: Health Dept. forced Bat World Sanctuary to leave town. They gutted her building, cleaned it and removed her property.
3. Amanda Lollar commits animal cruelty at Bat World Sanctuary <http://goo.gl/fb/ufv4x>

IT IS FURTHER ORDERED that Mary Cummins be permanently enjoined and she is ORDERED to immediately and permanently remove from the internet the following statements which currently appear at <http://www.myspace.com/mmmaryinla>:

1. Health Dept. forced Bat World Sanctuary to leave town. They gutted her building, cleaned it and removed her property.
2. Bat World Sanctuary admits in writing they are being forced to leave the City because of all the complaints to the City and Health Dept.

IT IS FURTHER ORDERED that Mary Cummins be permanently enjoined and prohibited from posting on the internet or publishing to any person any video recording of any episiotomy that was recorded or made at Bat World Sanctuary.

IT IS FURTHER ORDERED that the total amount of the judgment here rendered will bear interest at the rate of five percent (5%) per year from the date of this judgment until paid.

All costs of court spent or incurred in this cause are adjudged against Mary Cummins, defendant.

All writs and processes for the enforcement and collection of this judgment or the costs of court may issue as necessary.

All other relief not expressly granted in this judgment is denied.

SIGNED this 27 day of August, 2012.
