

STATE OF TEXAS

COUNTY OF TARRANT

**Affidavit of Michael Navarro**

My name is Michael Navarro. I am over the age of eighteen years and competent to make this affidavit. I am a certified shorthand reporter and my license number is Texas CSR 0000.

On August 25, 2011 I was the certified shorthand reporter for the deposition of Mary Cummins in a lawsuit styled Bat World Sanctuary and Amanda Lollar v. Mary Cummins in cause number 352-248169-10 pending in the 352<sup>nd</sup> District Court of Tarrant County, Texas. I was present with and sat next to Mary Cummins during her entire deposition.

At no time did Randall Turner ever touch or attempt to touch Mary Cummins, either on or off the record. Randall Turner was sitting across the table from me during the entire deposition and if he had touched or attempted to touch Mary Cummins I would have seen it.

At no time did Ms. Cummins' attorney, Neal Callaway, ever sleep during the deposition. I was sitting at the same conference table that Mr. Callaway was sitting at throughout the deposition and I would have noticed if he had slept.

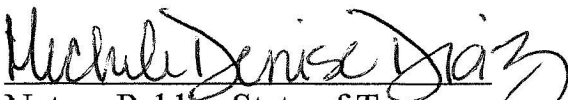

All questioning of Ms. Cummins by Randall Turner was on the record and reported by me. At no time did Mr. Turner talk to or have any conversation with Mary Cummins off the record. At no time did Amanda Lollar or any other person, with the possible exception of her lawyer, ever talk to or have any conversation with Mary Cummins, either on or off the record. Amanda Lollar never said anything at any time about rabies vaccinations or giving rabies vaccination either on or off the record.

SIGNED this the 16<sup>th</sup> day of October, 2011.

Michael Navarro, Texas CSR 0000.

SUBSCRIBED AND SWORN TO before me on this the 16 day of October, 2011.
