**Appeal No. 07-16-00337-CV
County Court Case No. 2015-002259-3**

AMANDA LOLLAR,

COUNTY COURT 3

Plaintiff,

vs.

TARRANT COUNTY, TEXAS

MARY CUMMINS,

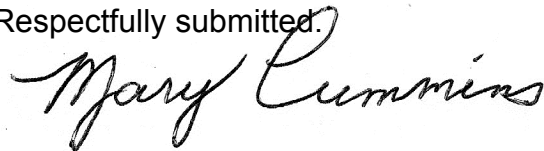

Defendant Pro se

APPELLANT'S MOTION FOR EXTENSION

Appellant Mary Cummins' reply brief is due 20 days after Appellee filed their reply brief, December 9, 2016, which is December 29, 2016. Appellant has written most of the brief but is not yet finished. Appellant has a discogram scheduled December 21, 2016 for discs L3/L4, L4/L5, L5/S1 in the hospital. Appellant just received the pre-op phone conversation with the hospital. The nurse stated there is a strong possibility that Appellant will not be able to sit in a chair for any length of time for days after the procedure because of the number of discs involved.

To err on the side of caution Appellant requests a week extension in case Appellant can't sit to finish the reply. If Appellant is able to sit after the procedure, the reply brief will be filed before December 29, 2016.

Respectfully submitted.
