MOTION TO VACATE SISTER-STATE JUDGMENTS/ORDERS

05/22/2013

CIT/CASE: BS140207
LEAD#:
RECEIPT #: CCH4200107
DATE PAID: 05/20/13
PAYMENT: \$435.00
CHECK#: 310
CASH:
CHANGE:
CARD: \$435.00

1 Health Department, Texas Veterinary Board and Building and Safety. Violations were
2 found. The USDA veterinarian stated Plaintiff Lollar who has not gone past the eighth
3 grade and tries to perform surgery on conscious bats without pain relief caused bats
4 "pain," "suffering," and "death." The USDA stated she violated the Animal Welfare
5 Act. Plaintiffs lost their USDA permit.

6 Defendant was maliciously and frivolously sued for defamation and breach of
7 contract in retaliation for reporting Plaintiffs to authority. Plaintiffs did not show the
8 elements of defamation, breach of contract, admitted they had no damages and no
9 proof of any causation in trial. Defendant argued this but the retired visiting Judge
10 nevertheless ruled in their favor in Texas.

11 **FACTUAL BACKGROUND**

12 November 9, 2012 the Orders to be vacated were entered.

13 January 4, 2013 Declaration of Non-service was filed by Plaintiffs.

14 March 27, 2013 Plaintiffs filed proof of service of notice re sister state judgment
15 docs.

16 April 25, 2013 Plaintiffs filed an abstract of judgment inre Amanda Lollar for
17 \$6,121,039.42 and Bat World Sanctuary for \$190,877.08.

18 May 18, 2013 Defendant received a copy of the Abstract of Judgements in the
19 mail. This is the first time Defendant received anything in the mail about this case even
20 though Plaintiffs had Defendant's address. Defendant then went online to
21 lasuperiorcourt.org to search for case information.

22 **STATEMENT OF THE CASE AND GROUNDS TO VACATE THE ORDER**

23 The Orders should be vacated for the following reasons.

24 1. Civil Rule 60(b)(11): Action is pending in this case. Defendant Cummins filed
25 motion for new trial and objection to court order¹ September 9, 2012. The motion has
26 not been heard. The motion states that Plaintiffs did not show the elements of
27

05/22/2013

1 defamation or breach of contract. Plaintiffs admitted they had no financial damages
2 and no proof of any causation. Two important pre-trial motions were supposed to be
3 heard before the trial which was not heard. A witness failed to respond to subpoena to
4 show at trial.

5 Defendant filed an appeal in the Second Court of Appeals in Fort Worth, Texas
6 September 2012^{2,3}. Defendant is indigent and was allowed to proceed with the appeal
7 without paying \$4,000 for minutes. Defendant filed her brief April 1, 2013⁴.

8 Appellees' reply brief is due June 8, 2013 because Appellees requested an extension.

9 2. Civil Rule 60(b)(1): Mistake, inadvertence, surprise, excusable neglect or
10 irregularity in obtaining the Judgment/Order: Defendant was not legally served.
11 Plaintiffs had to serve Defendant within 60 days of filing the Judgment. That would
12 have been before January 9, 2013. Plaintiffs filed a Declaration of Non-Service
13 January 4, 2013.

14 February 17, 2013 two men trespassed beyond a closed door onto private
15 property (Declaration of Cummins). A man approached and told Defendant "we can
16 either do this here or outside." Defendant did not know who he was or what he wanted.
17 Defendant started to walk outside then stopped when she saw another man videotaping
18 her. Defendant stated she does not allow them to videotape her or post her video on the
19 Internet. The man continued to videotape. Defendant refused to go farther outside. The
20 man then hit her with folded up documents.

21 Defendant did not look at the documents until she got home. She then realized
22 that the documents were filed November 9, 2012. They did not refile the documents.
23 They did not serve within the 60 day time period. They had to refile then reserve.
24 Defendant does not believe she was legally served.

1 #. Civil Rule 60(b)(4): Fraud, misrepresentation or other misconduct of an
2 adverse party.

3 Defendant emailed the attorney on the documents and told Richard Evanns that
4 his process server hit her with the documents. Evanns stated he did not order the
5 process server, it was not his, he would not do something like that, he filed a
6 declaration of non-service and had done nothing on the case since then (Exhibit 1). At
7 that point Defendant was under the impression that the judgment was not actionable.
8 Defendant also believed that Plaintiffs probably didn't want to waste any more money
9 trying to collect from Defendant who is indigent.

10 Defendant was not served in a legal manner. Defendant was not served with
11 viable documents. Defendant did not reply. Defendant did file a police report February
12 25, 2013 with the LAPD #131506821 (Exhibit 2). Plaintiffs then posted the video of
13 parts of what happened on Plaintiffs' YouTube channel. Defendant saved a copy. You
14 can see the documents bouncing off Defendant. The person who hit Defendant with the
15 documents was Robert Young.

16 Plaintiffs illegally obtained Defendant's social security number from a discovery
17 item which had a protective order. Defendant is suing Plaintiffs for defamation and
18 interference with business relations because Plaintiffs defamed Defendant on the
19 Internet. Plaintiffs stated Defendant is a "convicted criminal" found "guilty of credit
20 card, forgery and theft," commits "animal cruelty" besides other completely false
21 things, (Mary Cummins v Amanda Lollar, Bat World Sanctuary case 2:11-CV-08081-
22 BRO-MANx). Defendant filed a motion for contempt with the court. Plaintiffs also did
23 not redact Defendant's social security number for the filings in this case.

24 Since that happened Plaintiff Amanda Lollar tried to access Defendant's non-
25 profit bank account and a closed personal account illegally by pretending to be
26 Defendant. The bank saved the phone conversations and played them for Defendant.
27 Defendant filed another police report March 19, 2013 (Exhibit 3).
28

1 Since then people have tried to get a home loan, car loan and tried to get money
2 from the government using Defendant's social security number. Defendant had to shut
3 down her bank account and debit card besides filing a report for identity theft with the
4 FTC.

5 4. Civil Rule 60(a): Clerical mistakes in the Judgment. Defendant's address is
6 incorrect in the Judgment. Defendant will not receive mail if it is addressed only to
7 "645 W. 9th St. #110." That is the address for the entire block which includes Ralphs
8 market, many stores and over 100 lofts. Defendant's address is "110-140."

9 5. Civil Rule 60(b)(11): Any other reason justifying relief from the operation of
10 judgment. Defendant is indigent, does not own any real estate, doesn't own a car, has
11 no assets and no employment. Defendant responded to post-trial discovery and gave all
12 of this information to Plaintiffs. If Defendant had any assets or money, she would have
13 hired an attorney.

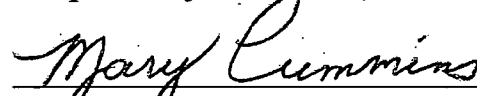

14 6. Civil Rule 60(b)(5): The judgment is void. The signed court order is overly
15 broad and contains prior restraint which is unconstitutional making it void. The
16 monetary award is excessive to the point of being illegal making it void. See above
17 motion objecting to court order for legal authorities.

18 **PRAYER**

19 Defendant respectfully requests that this Court vacates the following Orders:
20 Order in favor of Amanda Lollar for approximately \$6,121,039.42. Order in favor of
21 Bat World Sanctuary for approximately \$190,677.08;

22 Such other relief as the Court may deem just and proper.

23 Respectfully submitted,

24

Ms. Cummins:

It was not my process server, as I said. In fact the declaration of non-service was the declaration filed by my servers that they had attempted to serve the papers but been unable to. My attempts to do the service ended then and who did what after that is not anything I was involved in.

Regarding advising my clients to stop harassing you, I assure you the clients are well aware of your contentions regarding this serve (you have emailed everyone involved multiple times it seems) and that I would not and do not condone any improper behavior on their part, nor do I wish to engage in any such behavior myself.

However, my involvement with the clients herein is limited to certain matters, and I am not general counsel to any of the parties involved.

Therefore, if you have a gripe or complaint over anything that my clients do, it is them that you should take it up with and not me. I do not know the circumstances of the service of the papers, and I am sure everyone's story on that is going to be different—and I do not wish to or need to get involved in that at this time.

The judgment has been entered in California and unless and until my clients instruct me to take further action on this case, my involvement with it is essentially over.

Subject: Case # BS140207 - Lollar vs Cummins

Your process server entered private property yesterday without permission. His friend was videotaping. I told him I do not allow him to videotape me. I do not allow him to post the video. He asked to go outside to give me documents. I started to go outside but did not go outside onto the public property because I'd then be out of view of my witnesses. Your process server turned around and threw the folded documents at me at close range striking me with them. I'm a female and 5'8". That was totally unnecessary and legally assault. He could have dropped the papers or handed them to me. He then said to his camera guy "did you get that? that's good enough." Please, ask to see his video. Also, please, give me his name so I can file charges and report him. I had five witnesses who saw this. Did you order this process server or did Randy Turner or Amanda Lollar?

Your case will be assigned to a detective for follow-up investigation based upon specific facts obtained during the initial investigation. Studies have shown that the presence of these facts can predict whether a detailed follow-up investigation would likely result in the arrest and prosecution of the suspect(s) or the recovery of property, in a manner that is cost-effective to you, the taxpayer. Significant decreases in personnel have made it impossible for detectives to personally discuss each and every case with all crime victims. A detective will not routinely contact you, unless the detective requires additional information.

TO REPORT ADDITIONAL INFORMATION: If you have specific facts to provide which might assist in the investigation of your case, please contact the detective Monday through Friday, between 8:00 A.M. and 9:30 A.M., or between 2:30 P.M. and 4:00 P.M. at telephone number [redacted]. If the detective is not available when you call, please leave a message and include the telephone number where you can be reached.

COPY OF REPORT: If you wish to purchase a copy of the complete report, phone (213) 486-8130 to obtain the purchase price. Send a check or money order payable to the Los Angeles Police Department to Records and Identification Division, Box 30158, Los Angeles, CA 90030. Include a copy of this report or the following information with your request: 1) Name and address of victims; 2) Type of report and DR number (if listed above); 3) Date and location of occurrence. NOTE: Requests not accompanied by proper payment will not be processed.

DR NUMBER: If not entered on this form, the DR number may be obtained by writing to Records and Identification Division and giving the information needed to obtain a copy of the report (see above paragraph). Specify that you only want the DR number. It will be forwarded without delay. There is no charge for this service.

CREDIT CARDS/CHECKS: Immediately notify concerned credit corporation or banks to avoid possibility of being liable for someone else using your stolen or lost credit card or check.

HOW YOU CAN HELP THE INVESTIGATION OF YOUR CASE:

- * Keep this memo for reference.
- * If stolen items have serial numbers not available at time of report, attempt to locate them and phone them to the detective at the listed number.
- * If you discover additional losses, complete and mail in the Supplemental Property Loss form given to you by the reporting employee.
- * Promptly report recovery of property.
- * Promptly report additional information such as a neighbor informing you of suspicious activity at time crime occurred.

VICTIM-WITNESS ASSISTANCE PROGRAM: The Los Angeles City and County Victim-Witness Assistance Program (VWAP) can help to determine if you qualify for Victim of Violent Crime compensation.
