**Appeal No. 07-16-00337-CV
County Court Case No. 2015-002259-3**

AMANDA LOLLAR,

COUNTY COURT 3

Plaintiff,

vs.

TARRANT COUNTY, TEXAS

MARY CUMMINS,

Defendant Pro se

APPELLANT'S MOTION FOR EXTENSION, REQUEST FOR COURT RECORDS

Appellant, Mary Cummins, specifically requested all documents filed in County Court 2 and 3 as the motion to dismiss was heard in both cases as case 2015-002259-2 and 20150002259-3. Appellant was finishing up Appellant's opening brief adding the last citations to the record. Appellant just realized that some of Appellant's exhibits are missing from the record.

Attached to Appellant's Motion to Dismiss, brief in support were Defendant_Exhibit 1-54 and Def_Exhibit 1-19. The exhibits were broken up into five files due to size. The motion was filed then the five exhibits separately. The files were EXHIBITS_1-10, EXHIBITS_11-20, EXHIBITS_21-30, EXHIBITS_31-54 and EXHIBITS_Def_Exhibit_1-19. They were filed February 10-11, 2015 per the docket (Exhibit 1). Only Exhibits 6-10, 11-20 and 20-29 are in the court record sent to Appellant. These records are vital to the appeal. EXHIBITS_Def_Exhibit_1-19 are absolute proof that Appellees forged their corresponding exhibits 1-19. Appellant did include the actual links of some of the real files online in the motion to dismiss but not all were online.

1 Appellant requests a week extension in order to receive the exhibits and add the
2 record citations. If Appellant is not allowed to have the court records or an extension to
3 file the brief, Appellant would automatically lose by default. Appellant would be deprived
4 of a fair trial.

5 For some reason the case is not showing up in eFileTexas.gov. Appellant searched
6 by case number and name. Appellant will file this as unindexed case.

7 Respectfully submitted.
